Tela inicial do Slack

The screenshot displays the Slack interface. On the left is a dark sidebar with navigation options: 'Informatica Apli...' (with a notification bell), 'Mauricio Neto', 'All Threads', 'Channels' (with a plus icon), '# general', '# random', 'Direct Messages' (with a plus icon), 'slackbot' (highlighted with a green bar), 'Mauricio Neto (you)', '+ Invite People', and 'Apps' (with a plus icon). The main content area shows a channel header for 'slackbot' with a star icon, a heart icon indicating it's active, and the name 'slackbot'. To the right of the header are icons for info, settings, a search bar, and user/mention icons. The main content features a large 'Welcome!' message with a hand emoji, followed by the text 'Slack is a collaboration hub for teams.' and a link 'I changed my mind. Take the tutorial.' A horizontal separator line labeled 'Today' is present. Below it is a message from 'slackbot' at 9:34 PM: 'Hello, I'm Slackbot. I try to be helpful. (But I'm still just a bot. Sorry!) Type something and hit Enter to send your message. Just below this message is a text input field for you to type in. Try it out.' To the right of this message is a 'new messages' badge and a row of reaction icons (emoji, reply, share, star, and more). Below the message is another line of text: '9:35 PM If you're not sure how to do something in Slack, just type your question below. Or press these buttons to learn about the following topics:' followed by three buttons: 'Your profile photo', 'Emoji reactions', and 'Reminders'. At the bottom is a text input field with a plus icon on the left and '@' and emoji icons on the right.

Adicionando Apps

- Clique no ícone "+" ao lado de App

The screenshot shows the 'Manage apps...' dialog in Slack. At the top left is a gear icon and the text 'Manage apps...'. At the top right is a close button (X) with 'esc' below it. The main heading is 'Browse Apps' with a 'View App Directory' button to its right. Below the heading is a search bar with the placeholder text 'Search by name or category (e.g. productivity, sales)'. Underneath is a card titled 'What are apps?' with a lightbulb icon, a description 'A quick look at how apps in Slack can streamline your work', and a 'Start' button. Below this is the section 'Add apps to your workspace' which contains a list of apps, each with an icon, name, description, and an 'Install' button:

App Name	Description	Action
Giphy	An online library of animated GIFs	Install
Google Drive	Get notifications about Google Drive files within Slack	Install
Trello	Collaborate on Trello projects without leaving Slack.	Install
Dropbox	Cloud file storage and sharing	Install
